Professionals, Judges, and USDF Certified Instructors that **attend** will have their names listed on the NEDA Fall Weekend website page in an effort to publicly thank and acknowledge their participation in this important educational event. And, in most cases, your attendance at a NEDA Symposium may be counted toward your USDF continuing education credits.

___ USDF Certified Instructor ___ other Professional ___ Judge

Professionals and judges that do not pre-register will NOT have their names listed in the program. However, there will be an attendance sheet at the registration table, and should a professional or judge walk-in, their names will be included on the website's attendance list. Similarly, professionals and judges that pre-register but then do not actually attend the symposium, will not be included on the website attendance list.
NEDA will supply each USDF Certified Instructor in attendance with a letter detailing the symposium and listing the day(s) and hours in attendance. Professionals, instructors, and judges will be required to sign a daily attendance sheet at the registration table. Letters will be made available at the registration desk. Individuals may then submit the letter to USDF on their own behalf. No guarantee is made by NEDA that every symposium qualifies for USDF CE credits; it is up to the individual to verify this with USDF.
